MAHARAJA AGRASEN INSTITUTE OF TECHNOLOGY

DEPARTMENT

VISION

To attain global excellence through education, innovation, research, and work ethics in the field of Computer Science and engineering with the commitment to serve humanity.

MISSION

M1 To lead in the advancement of computer science and engineering through globally recognized research and quality education.

M2 To prepare students for full and ethical participation in a diverse society and encourage lifelong learning.

M3 To foster development of problem solving, programming and communication skills as an integral component of the profession.

M4 To cultivate an environment supporting incubation, product development, technology transfer, capacity building and entrepreneurship in the field of computer science and engineering. M5 To encourage faculty, student's networking with alumni, industry, institutions, and other stakeholders for collective engagement.

Program Educational Objectives (PEOs)

PEO1: Graduates work with top institutions and researchers, dedicating themselves to lifelong learning and social responsibility.

PEO2: Graduates exhibit outstanding communication skills and the capacity to collaborate effectively within diverse teams.

PEO3: Graduates cultivate skills in computer science and engineering, driving innovation, entrepreneurship, and economic growth.

PEO4: Graduates network with stakeholders to contribute to the growth of the department.

Program Specific Outcomes (PSOs)

PSO1: Able to explore and apply emerging technologies in computer science and engineering such as Artificial Intelligence, Machine Learning, Data Science, etc.

PSO2: Able to independently and collaboratively design, develop and evaluate innovative solutions to existing problems, addressing the needs of industry and society.

PSO3: Able to pursue advanced studies, conduct research and development, and cultivate entrepreneurship skills in the modern computing environment.

MESSAGE FROM HOD

Department of Computer Science & Engineering commits to work towards developing Engineers with a rich blend of competent, technical, managerial and social skills and contribute to nation building. The department places emphasis on all the important aspects of computers such as Computer Networks, Mobile Communication, Algorithm Design, Operating System, Advanced Database Systems, Theory of Computation, Computer Graphics and many more. The department takes the initiative to improve the soft skills, analytical capabilities and verbal communication of the students so that they can face the competition in the corporate world confidently. To meet the objectives, the department pays special emphasis on teaching and hands-on practical work.

Students exhibit their innovative ideas, skills and potentials as final year projects and have

won many awards at National and International levels.

The excellent infrastructure, experienced team of faculty dedicated to strengthening the effective teaching learning process ensures quality education. We believe that this approach to teaching-learning, coupled with practical experience gained during Industrial Training in reputed organizations, equips our students to handle the challenges posed by the IT industry. Students of Computer Science and Engineering are placed with top IT companies. We as a team resolve to take the Department to heights of success and glory and prepare for the forthcoming challenges.

-Prof. Namita Gupta (HOD, CSE)

EVENTS

INNOVATION MELA 2025

- February 17, 2025

The Department of Computer Science and Engineering at Maharaja Agrasen Institute of Technology, Delhi, successfully hosted the Innovation Mela on February 17, 2025, under the theme "Driving Sustainability for a Greener Future". The event was a grand celebration of innovation, creativity, and technological excellence.

The Innovation Mela witnessed enthusiastic student participation, with individuals eagerly presenting their groundbreaking ideas and showcasing their innovative projects. The winners in the Innovative Product Exhibition category were Team HYTECH (led by Hemchandra Jha) secured first place, Team ATOM (led by Ritika) secured second place, and Team MUSIC BOT (led by Deepansh Goel) won the consolation prize. In the Innovative Idea Presentation category, Team Code Czars (led by Mehak Taneja) secured first place, followed by Team Brainiacs (led by Angel Gupta) in second place and Team SYNERGY (led by Kush Aheer) won the consolation prize. Cash prizes were awarded to the winners, recognizing their outstanding innovation and dedication. All teams showcased remarkable creativity and innovation, making the event a true celebration of talent and ingenuity.

Graced by esteemed dignitaries, including Dr. Nand Kishore Garg, Sh. Vineet Kumar Lohia, Sh. Subodh Jindal, Sh. Avinash Gupta, Sh. Rajnish Gupta, Prof. J.V. Desai, Prof. Neelam Sharma, Prof. Rajni Malhotra Dhingra, Prof. S.S. Deswal, and Prof. Sachin Gupta, along with distinguished judges Mr. Rajiv Bajaj (CEO, Bajaj and Bajaj Chambers), Ms. Anubha Gupta (Senior Solution Consultant, IBM), and Mr. Aditya Bhardwaj (Scientist, ISRO), the event was a remarkable celebration of talent, innovation, and forward-thinking ideas. The dignitary's inspiring speech ignited the students' passion for innovation, while the dedicated faculty led by Prof. Namita Gupta as the Organizing Secretary, along with conveners Dr. Ruchi Goel and Ms. Garima Gupta, played a pivotal role in its success. The invaluable contributions of faculty coordinators Mr. Saurabh Rastogi, Ms. Karuna Midha, Mr. Anupam Kumar, Dr. Deepak Gupta, Ms. Neetu Garg, Dr. Ankita Gupta, Dr. Nisha Aggarwal, Ms. Divya, Mr. Akshay Mool ensured the event's seamless execution. Additionally, the exceptional efforts of the student coordinators played a crucial role in orchestrating the event with enthusiasm, dedication, and teamwork, further enhancing its success. Innovation Mela 2025 was not just an event but a testament to the limitless potential of young minds, driving a future of sustainability, creativity, and excellence.

"Driving Sustainability for a Greener Future"

The Department of Computer Science & Engineering, Maharaja Agrasen Institute of Technology, Delhi is organising an innovation Mela on February 17, 2025. This event is themed on "Driving Sustainability for a Greener Future" highlighting the pivotal role of innovation, technology, and collective action.

Events Objective:

- Foster Sustainable Innovation – Encourage the development of eco-friendly technologies and solutions that address environmental challenges.
- Promote Technological Advancements – Showcase cutting-edge innovations in AI, IoT, renewable energy, smart cities, and green computing that contribute to sustainability.

- Encourage Entrepreneurial Mindset – Provide a platform for students, researchers, and start-ups to present ideas that drive sustainable business practices.
- Enhance Industry-Academia Collaboration – Facilitate networking between students, academicians, industry experts, and policymakers to promote sustainable technology adoption.
- Raise Environmental Awareness – Educate participants on the importance of energy conservation, waste management, and green computing for a better future.
- Inspire Collective Action – Motivate individuals and organizations to take proactive steps toward building a greener, more sustainable world through innovation and responsible practices.

Events:

1. Innovative Idea Presentation
2. Innovative Products Exhibition

Innovative Idea Presentation:

- Share your ground-breaking projects and innovative ideas with us! Be recognized for your creativity and vision. Some examples for innovative ideas for reference:
- Environment sustainability such as disposal of banners and used papers
- Energy saving applications such as solar power stations, zero waste events, etc.
- Sustainable transportation such as car sharing platforms etc.
- Reduction of digital pollution
- Food sustainability such as reuse of kitchen waste in terms of composting, energy production or converting it into valuable products.

Innovative Products Exhibition:

It is a dynamic platform where you can showcase and explore cutting-edge products and technologies, through live demonstrations of innovative products and technologies, a chance to connect with fellow innovators and engage with visitors. Showcase your innovation to a diverse audience.

Navigating the Tech Industry: Insights & Guidance 3.0

- 30th August 2025

TechCom, the official technical society of Department of Computer Science & Engineering, MAIT, organized a webinar on “Navigating the Tech Industry: Insights & Guidance 3.0” on 30th August 2025 from 10:30 AM onwards. The event aimed to continue the tradition of bridging the gap between juniors and seniors, fostering mentorship and guidance within the department. With 40+ enthusiastic participants, the interaction remained lively and insightful, giving students clarity on both technical preparation and personal growth during their B.Tech years.

The guest speaker for the session was Mr. Harsh Rajput, an accomplished professional currently working as SDE 1 at HP and former SDE 1 at Microsoft. Drawing from his own journey, he shared valuable insights on placements, DSA preparation, development skills, and overall college life. His balanced perspective between academics, skill-building, and practical industry expectations proved highly beneficial for the students.

A dedicated Q&A session allowed juniors to seek tailored advice on career challenges, resume-building, and strategies to crack technical interviews. The event concluded on an inspiring note, reaffirming the importance of mentorship, peer learning, and consistent efforts. It not only strengthened the bond between juniors and seniors but also motivated students to align their college journey with long-term career goals.

The success of “Navigating the Tech Industry: Insights & Guidance 3.0” was made possible under the guidance of Prof. Namita Gupta (HOD, CSE), Ms. Kavita Saxena (Assistant Professor, CSE), Ms. Deepthi Gupta (Assistant Professor, CSE), and Ms. Karuna Middha (Assistant Professor, CSE). The dedicated efforts of the TechCom team further ensured the smooth execution of the event.

Intel Unnati Online Workshop

- April 2 to April 7, 2025

A 5-day Intel Unnati Workshop was successfully conducted in online mode from April 2 to April 7, 2025, offering a deep dive into modern AI technologies and practical applications as a collaborative initiative between Intel and the Computer Science and Engineering Department of MAIT. The workshop was designed for students interested in exploring the server ecosystem and AI development using Intel's OneAPI software stack.

The sessions were led by Mr. Suhaas D, AI Engineer at EdGate Technologies, who served as the workshop's lead trainer. His expertise and engaging delivery helped students gain a solid foundation in neural networks, natural language processing and Intel-based AI development tools. The workshop was organised under the competent direction of Dr. Namita Gupta (HoD, CSE MAIT). Mr. Anupam Kumar, Dr. Perna Mann and Dr. Moolchand Sharma served as the faculty coordinators for the program. The workshop witnessed an overwhelming response, with over 100+ students participating in the event.

The workshop offered a balanced mix of theoretical concepts and practical assignments, enabling participants to not only understand core AI concepts but also apply them in real-world scenarios using Intel technologies. Students actively engaged in Q&A sessions, received valuable insights from the trainer and gained practical exposure to current trends in AI and server-based computing which marks another step forward in fostering AI skill development among students through Intel Unnati's initiatives.

Master Class on "An Introduction to Natural Language Processing"

- 7th April 2025

The Department of Computer Science and Engineering at Maharaja Agrasen Institute of Technology (MAIT), Delhi, organized a Master Class on "An Introduction to Natural Language Processing" on 7th April 2025, from 2:00 PM to 4:00 PM. This insightful session was conducted by Dr. Chico Camargo from the University of Exeter, UK, who shared foundational concepts and real-world applications of Natural Language Processing (NLP), a rapidly evolving field at the intersection of linguistics, computer science, and artificial intelligence. The event was held in Lab No. 131-132, Block-I, and saw active participation from more than 50 students, who engaged enthusiastically with the speaker and the content. Organized under the guidance of Prof. (Dr.) Namita Gupta, HOD, CSE, and coordinated by Dr. Ankita Gupta and Dr. Sandeep Tayal, the session provided an excellent opportunity for students to gain exposure to cutting-edge research and practical insights in NLP, encouraging deeper academic engagement in the field.

“Master Class on Digital and IT Careers: Understanding the Range of Opportunities in Information Technology”

- 28th March 2025

The Department of Computer Science and Engineering, organized “Master Class on Digital and IT Careers: Understanding the Range of Opportunities in Information Technology”. Prof. Shanton Chang, Senior Professor from Faculty of Engineering and IT at the University of Melbourne has delivered the Master Class on 28th March 2025 to the final and Pre year students of Department of Computer Science and Engineering. Prof Shanton, has shared the information about the multiple career options for the engineering students after completing their engineering. During the Event Dr. Kapil Sharma from University School Engagement Advisor Supporting Group of Eight, Ivy League of Australia, along with Ms. Vandana from university

of Melbourne, Prof. Namita Gupta, Head of Department, CSE was also present. The Master Class achieved significant success with over 50 participants.

CyberSec: Deep Dive into Cybersecurity

- 7 February 2025

The Department of Computer Science & Engineering, MAIT, in collaboration with Microsoft Azure Developer Community and Reskill, organized a webinar on cybersecurity, "CyberSec: Deep Dive into Cybersecurity!" on 7 February 2025. The session was headed by Mr. Jatin Jain, a cybersecurity expert with over 17 years of experience, and focused on raising awareness about cyber threats and network protection. With 70+ registrations the webinar witnessed an enthusiastic active participation of 60 students, who gained valuable insights from an industry expert, stayed updated on the latest trends, and had the opportunity to network with like-minded individuals. The session reinforced that cybersecurity is not just about technology—it's about people, awareness, and proactive protection. Mr. Jatin Jain provided insights into major cyber threats and frauds, including phishing attacks,

malware, ransomware, social engineering, denial-of-service (DoS) attacks, identity theft, online shopping scams, and banking fraud. He emphasized the importance of strong passwords, multi-factor authentication (MFA), regular software updates, and safe browsing practices to enhance both personal and organizational cybersecurity. The interactive session encouraged participants to ask questions and discuss

real-world cybersecurity challenges. Mr. Jatin Jain shared practical solutions, case studies, and preventive strategies, making the webinar highly engaging and informative. It fostered stronger connections between MAIT students and industry leaders, ensuring that future engineers are well-equipped to tackle upcoming challenges.

This event was a great success under the invaluable guidance and support of Prof. Namita Gupta, HoD CSE, MAIT, Ms. Kavita Saxena (Assistant Professor, CSE, MAIT), Ms. Deepti Gupta (Assistant Professor, CSE, MAIT), and Ms. Zameer Fatima (Assistant Professor, CSE, MAIT). The dedication and efforts of the student coordinators from 3rd year CSE, MAIT, Himanshi, Aviral, and Gautam played a crucial role in the seamless organization and execution of the event.

SOCIETY EVENTS

TechCom

- 7th April 2025

TechSquid Event Report

TechCom, the official technical society of the CSE Department at MAIT, successfully organized TechSquid on 7th April 2025 in Labs 131 and 132 of the CSE Block from 11:30 AM to 2:00 PM. The event featured three challenging and creative rounds, such as Red Light- Green Light (DSA-based), The Neural Clash (aptitude), and Net Quest (strategy-based puzzle round). With more than 60 registrations, 40 students actively participated in the first round, 10 advanced to the second, and 4 finalists competed in the final round. The event was organized under the guidance of Prof. Namita Gupta (Hod, CSE), faculty coordinators Ms. Kavita Saxena, Ms. Deepti Gupta, and Ms. Karuna Middha, whose support greatly contributed to its success. The event stood out for its innovation, coordination, and enthusiastic participation, fostering technical excellence and a spirit of healthy competition.

Winner Details:

First Prize: PRATHAM GUPTA

Prize: ₹500 cash and a fanny bag

Second Prize: AYUSH GOEL

Prize: Fanny Bag

Webinar on “Playing with AI Fundamentals”

- 15th Feb 2025

TechCom, the official technical society of the Department of Computer Science & Engineering, MAIT, successfully organized a webinar titled "Playing with AI Fundamentals" on 15 February 2025 from 10:00 to 11:00 a.m. The event had 30+ enthusiastic participants.

The speaker for the webinar was Dr. Ravi Prakash, a distinguished Professor at KCCEMSR Mumbai, an esteemed member of the MC Computer Society of India (Mumbai Chapter), and an AI & Research Expert under the NMEICT, Govt. of India Initiative. With his vast expertise, Dr. Ravi Prakash guided attendees with valuable insights into AI fundamentals, discussing its real-world applications, evolving trends, and career opportunities in the field. He emphasized the importance of AI in automation, data analysis, and decision-making processes, offering practical strategies for students to strengthen their AI skills.

One of the most impactful takeaways from the session was Dr. Ravi Prakash's statement: "The person who has data is not the king, but the one who can process it." This line deeply resonated with attendees, highlighting the crucial role of data processing and analysis in today's technology-driven world.

Attendees actively participated in an engaging Q&A session, gaining clarity on various aspects of AI and its impact on modern technology. The

session fostered a collaborative learning environment where students not only absorbed knowledge but also discussed their perspectives on AI advancements.

The event concluded with an interactive game. In the game, the speaker presented a set of jumbled words related to AI and asked the participants to rearrange them correctly. This added a fun and challenging element, making the session even more engaging and truly memorable. After a close contest, two winners emerged, each receiving a special prize in recognition of their quick thinking and deep understanding. The smooth and engaging hosting by TechCom student coordinators contributed to the event's success, ensuring an interactive and well-structured session. The winners of the game were Gautam Jha, 6th Sem, CSE, and Ujjwal Gupta, 6th Sem, CSE.

This webinar marked yet another step toward TechCom's mission to equip students with industry-relevant skills. The event was a great success under the guidance of Prof. Namita Gupta (HOD, CSE), Ms. Kavita Saxena (Assistant Professor, CSE), Ms. Deepti Gupta (Assistant

Professor, CSE) and Ms. Karuna Middha(Assistant Professor, CSE). The hardworking efforts of Gautam Jha, Ujjwal Gupta , Aviral and TechCom team made the event reach great heights.

Lyzr AI - DevWeek'25 Session

- 13th Feb 2025

The International Organisation of Software Developers (**IOSD-MAIT**) successfully organized an interactive session on AI Agents in collaboration with **LYZR AI** on 13th February 2025, providing students with valuable insights into the evolving landscape of artificial intelligence.

The session conducted by Ms. Soumya Bhardwaj, Product Manager at Lyzr AI, along with the presence of 70 students, covered the fundamentals of AI agents, their real-world applications, and live demonstrations, offering a hands-on learning experience. Sharing their expertise, engaging students in discussions on automation, AI-driven decision-making, and future career opportunities in this domain.

The event concluded with an interactive Q&A session, allowing participants to deepen their understanding of AI's impact across industries.

IMPULSE 2025 - IOSD MAIT

- 17-18th March, 2025

IOSD MAIT successfully organized the fifth edition of our flagship tech-fest series, "IMPULSE". IMPULSE continues its mission to provide students with an exceptional technical experience, nurturing critical thinking, enhancing problem-solving abilities, and promoting the spirit of innovation and self-made technology.

Over the course of two electrifying days, students from various colleges across India participated in a diverse lineup of events. From AIMBOT, a fast-paced problem-solving competition, to CIRCULAR CODING 2.0, where participants battled through rounds of logic-based coding challenges — the energy and enthusiasm were unmatched.

The fest also featured Geo-Guesser Quest, which tested participants' analytical and geographical deduction skills in a thrilling format, and CSS Battle, where creativity and coding skills collided as designers crafted stunning visuals purely through CSS.

The strategic minds gathered at Hourglass, the ultimate chess showdown, where participants competed for glory and precision on the 64 squares. The most awaited event was undoubtedly HackMAIT 6.0, a 36-hour hackathon that drew in brilliant tech minds to build impactful solutions. Winners were awarded exciting prizes including goodies, swags, and more.

The event was graced by our chief guest, Mr. Samrat Bharadwaj, a proud alumnus of MAIT, who inspired the audience with his words and shared valuable insights from his journey in the tech world.

TEDxMAIT

- 15th Feb 2025

VISION. VENTURE. VIRTUE.

In the spirit of ideas worth spreading, TEDx is a program of local, self-organized events that bring people together to share a TED-like experience. At a TEDx event, TEDTalks video and live speakers combine to spark deep discussion and connection in a small group. These local, self-organized events are branded TEDx, where x = independently organized TED event. The TED Conference provides general guidance for the TEDx program, but individual TEDx events are self-organized (subject to certain rules and regulations).

Aakash Singh

Founder | Talent Management Leader | Author

Recognized among “*Top 30 Under 30*” by WahStory and “*Top 100 Emerging HR Leaders*” by Startup HR Software, Aakash Singh is an author, mentor, and entrepreneur. He has guided over 37,000 professionals and 20+ founders worldwide, inspiring people to align passion, purpose, and success through meaningful careers.

Aditya Bhardwaj

Scientist, ISRO

A Computer Science Engineer from MAIT (IP University), Aditya works at ISRO’s National Remote Sensing Centre, developing software for real-time satellite data processing. He has contributed to missions like *Oceansat-3*, *Microsat-2C*, and *NISAR*, combining advanced tech with India’s space ambitions.

Advait Kumar

Social Entrepreneur | Co-founder, Boon

Forbes *30 Under 30 Asia* honoree, Advait left investment banking at JP Morgan to build **Boon**, a company transforming corporate and hospitality water systems with sustainable, tech-driven solutions. His journey reflects the power of purpose-led entrepreneurship.

Drishyaa Duggal

Cyberpsychology Expert

Drishyaa Duggal is a leading voice in Cyberpsychology, studying the mental and emotional effects of digital life. She has spoken at global forums including the UN, AIIMS, and WSIS, raising awareness of the human side of technology.

Dr. Jawahar Surisetti

Advisor | Psychologist | Author | Futurist

Known as “*The Think Professor*”, Dr. Surisetti is a psychologist, author, and advisor to governments in India and the U.S. He connects with over 2.4 lakh youth through his UN-backed initiative *Explora* and serves as Skill Development Ambassador for Queensland.

Khushboo Sharma

Author | Emotional Intelligence Coach

Author of “*1 Decision 1000 Benefits*” and winner of the *Fox Story India Women Face of the Year 2024*, Khushboo promotes emotional health and happiness through workshops across India. She holds certifications from Yale and the University of Sydney.

Manoj Gupta

Business Leader | Founder, The Consciouspreneur® Movement

With 30+ years in global leadership, Manoj Gupta blends Vedic wisdom with business strategy. As an advisor to the Government of India’s *Vision 2047*, he champions mindful leadership and has been recognized as a “*Pioneer of Change*” by *Inspiring India*.

Navita Khanna

Global Trainer | NLP Coach | TEDx Speaker

A corporate trainer and ex-banker, Navita specializes in communication, emotional intelligence, and diversity. Her TEDx and Josh Talks sessions inspire professionals to build inclusive and emotionally intelligent workplaces.

Rajiv Bajaj

CEO, Bajaj & Bajaj Corporate Chambers

A seasoned governance and finance professional, Rajiv has led at Panasonic and ICSI, and now heads Bajaj & Bajaj Corporate Chambers. A startup mentor and leadership coach, he brings decades of experience in corporate strategy and compliance.

Rohan Mukherjee

Mentalist & Storyteller

Rohan blends psychology, illusion, and narrative to explore the art of wonder and perception, engaging audiences through thought-provoking performances.

Sugandha Vatrana

Yoga & Wellness Coach | Head of Rewards, Signify (Philips Lighting)

Sugandha leads Rewards for APAC & MEA at Signify while being a renowned Yoga coach with nearly a million followers. She led the 2024 International Day of Yoga with the Hon’ble PM and hosts “*Yoga for Self Love*” on Tata Play Fitness.
